

## Pharmacy. Made Simple.

Keep on top of your health with Hey Pharmacist. Easily order and manage your NHS repeat prescriptions, and book a private or NHS health service.

### How does Hey Pharmacist work?

#### 1, Place your order.

Register for Hey Pharmacist with your NHS login to place your repeat prescription order, we'll take it from there!

#### 2, Your GP approves.

Your order will be automatically sent to your GP, who will check and approve your prescription before it is sent to the pharmacy ready for dispatch.

#### 3, Get your medication.

Collect your prescription from our pharmacy.

### A service designed around you.

#### Ordering made simple.

Your NHS repeat prescription request is sent directly to your GP for approval so that you don't have to contact them or your pharmacy.
